Services and Fees

Initial Assessment

An initial assessment is required prior to participation in either individual or group interventions. This is an opportunity for all parties involved to meet each other and share information that will help determine if the services offered will meet your needs. Should it be determined that our services will not meet your needs, every effort will be made to help guide you in finding resources/services that will.

Individual Sessions:

Individual sessions are typically recommended at the start of treatment in order to establish trust and to allow your child to learn relevant concepts prior to joining a group. Individual sessions may also be recommended for those whose sensory, attention and/or anxiety challenges prevent or delay immediate group participation OR when a compatible group is not available at the requested time.

Group Sessions:

Placing your child in a compatible group is of the utmost importance, therefore, significant effort is made to place participants with peers whose social learning abilities are closely matched based upon cognitive, social language and general auditory processing abilities. If a compatible group is not available at the requested time, your child will be placed on a waiting list and you will be contacted when an appropriate group opportunity occurs.

Attendance Policy for Social Thinking Groups

Groups run from mid August through May and from June thru early August. The office will be closed 2 weeks for winter break, and the following national holidays: Memorial Day, Labor Day, and 2 days for Thanksgiving. In order to gain the most benefit from group sessions, participants are strongly encouraged to attend every session. Three or more absences indicate the need to re-evaluate a student's commitment to the group and will be addressed per individual case.

Make-up sessions:

*All group sessions cancelled by the coach will be rescheduled at an agreed upon time with all parties involved.

*One built-in 'make-up' session is available at the end of each semester for missed sessions, which may be used by one or all participants in the group. If a student misses more than one group session, they may schedule an individual session at the Individual session rate.

*No Show policy: A 'day ahead' notice (call, email or text) is requested for all cancellations. Clients who do not cancel in advance and who do not appear for scheduled appointments will be charged \$50.00 for each missed appointment.

Regarding Insurance: It is the philosophy of Heartland Social Learning Center LLC that the highest quality of service and confidentiality be maintained regardless of current trends in managed care to place restrictions on reimbursement for speech language therapy services. Therefore, HSLC LLC does not bill insurance companies directly nor does it act as a participating provider for any insurance plans. There is no guarantee that your insurance company will reimburse any or all expenses for direct services, however, some insurance companies will work with their members regarding these interventions. You will be provided a statement of services suitable for submission to your insurance company upon request. Please remember that reimbursement is a matter between you and your insurance company, so it would be in your best interest to always check with them directly for questions concerning your coverage.

Family Education

Social growth depends upon the sharing of common vocabulary and concepts so that generalization of concepts will occur in the client's natural environment. Parents/guardians/significant others are strongly encouraged to attend the last 10 minutes of each session in order to review new ideas/concepts taught during the session. These end-of-session summaries are part of an ongoing effort to maintain communication related to your child's progress, however end-of-semester conferences and/or written progress summaries are available. (Upon request only.)

Fees and Billing:

*Initial Phone interview: No charge; *Initial Assessment: \$150.00 (written report: \$300.00) (*written progress reports available upon request: \$150.00*)

*Individual Session: \$125.00 per hour *Group sessions: Group costs may vary slightly due to # of sessions per semester and/or unpredictable overhead costs, i.e. rent, materials, etc.

*Individual and/or School Conferences and/or Consultations: \$125.00 per hour; *Phone Communication: Hourly rate (\$125.00) will be divided by 15 minute increments based on length of call.
