**\*\*Please check which session you would like to attend\*\***

Cost: \$600.00 includes supplies and 10 hours of social coaching

NOTE: This part of scheduling can be complicated, therefore your precision and punctuality is greatly appreciated. The majority of applicants are placed in groups, although if a compatible group is not available or you are no longer able to attend during the time you originally marked, your child may be placed on a wait list until an appropriate opening occurs.

In order to gain the most benefit from group sessions, regular attendance is strongly encouraged. If your child must miss a session, you may re-schedule one individual 'make-up' session per semester on the reserved date at the group rate. Refunds for missed sessions are only provided when the therapist cancels a session and a make-up session is unavailable. Three or more absences may prompt a request to discuss a student's ability and commitment to attend the group and will be addressed per individual case.
